GATHER AROUND OUR  
GARDEN-SIDE TABLE FOR A  
CELEBRATION OF FRESH FOOD  
FROM SEED TO TABLE

SHAKER VILLAGE OF PLEASANT HILL

*in fresh air*

## FRESH FOOD *in fresh air*

This summer, we invite you to visit our garden, meet our gardeners, and experience a remarkable seed-to-table meal in the company of friends, neighbors, and fellow supporters of Kentucky's food community.

The Shaker Village culinary team will prepare a series of garden-side meals inspired by locally available ingredients. The menus will feature heirloom vegetables grown in our own historic gardens, as well as grass-fed meat, poultry and other produce from nearby farms.

The proceeds from this garden-side dining series will support Shaker Village of Pleasant Hill, a nonprofit organization whose mission is to preserve this National Historic Landmark.

## GARDEN-SIDE LUNCHES

Tour the garden and learn about the heirloom produce varieties grown at Shaker Village before enjoying lunch prepared with July's freshest ingredients.
